Policy of Respect

To engender and foster respect for all living species, this journal capitalizes the common names of all formally named species.

Biodiversity

is indexed by
Biosis, Cambridge
Scientific Abstracts,
Environment Abstracts,
and Zoological Record.

Front Cover Image: A group of *Lamproptera meges* gathers on the main road into the park sipping water and minerals from the surface of a moist area. *Lamproptera meges* is one of the two species of dragontail butterflies found in the Cuc Phuong National Park. In flight it could easily be mistaken for a dragonfly (Illustrated by Roelof Idema). See the Cuc Phuong Butterflies article by Torben Larsen on page 3.

Inside Front Cover Art: "The Diversity of Life" by Roelof Idema
