Policy of Respect

To engender and foster respect for all living species, this journal capitalizes the common names of all formally named species.

Biodiversity

is indexed by
Biosis, Cambridge
Scientific Abstracts,
Environment Abstracts,
and Zoological Record.

Front Cover: "Mossy Branches - Spotted Owl" painted by Robert Bateman. The Northern Spotted Owl (*Strix occidentalis caurina*) one of the flagship species in British Columbia old growth forests (Canada), is critically endangered [see pages 3, 10]. *Biodiversity* is grateful to Robert Bateman for giving permission for a one-time use of this beautiful painting to promote conservation of this endangered bird.

Inside Front Cover Art: "The Diversity of Life" by Roelof Idema
